### PREFACE

---

GOKUL AGRO RESOURCES LIMITED (GARL) follows the highest standards of business ethics and management practices in the conduct of its business. Directors and Employees are often the first to realize that there may be something not in order requiring redressal by the Company.

GARL is committed to the highest possible standards of disclosures and accountability. In line with that commitment, GARL Directors and Employees, with concerns about any aspect of the Company, are encouraged to come forward and voice their concerns to the Management.

Whistle Blowing Policy is a device to help alert and responsible individuals to bring to the attention of the management, promptly and directly, any unethical behavior, suspected fraud or abrasion or irregularity in the Company practices which is not in line with GARL's Code of Conduct, Business Principles / Policies or the law of the land, without any fear or threat of being victimized.

Whistle Blowing Policy expects Employees and Directors to be the guardian of GARL's core values and the corporate purpose.

The spirit of the Policy is to foster a sense of collective responsibility in safeguarding the business interests. The Policy provides an avenue to report matters directly to the Management or to the Chairman of the Audit Committee. The policy also provides for reporting in confidence. Through this Policy, a vigil mechanism is established for every employee to report genuine concerns.

The assurance and co-operation from the Management in safeguarding the interest of the individuals who choose to report matters of principles to the Management is reinforced by the Whistle Blowing Policy. In the process, it is also ensured that the Policy is not misused.

The Whistle Blowing Policy supplements the Code of Business Principles and the policies under the Code. This Policy is issued pursuant to Section 177 of the Companies Act, 2013, read with Rule 7 of the Companies (Meetings of Board and its Powers) Rules 2014 and clause 49 of the Listing Agreement.
