6	The PP should adopt all necessary precautionary and safety measures to prevent any malfunction or activity that could adversely impact adjacent the coastal waters, if any.	Point Noted
7	Muck and excavated materials should be disposed of as per the applicable norms or utilized within site.	Point Noted
8	Project Proponent shall strive to enhance the tree plantation and those trees planted in this regard would be planted under the campaign "एक पेड़ माँ के नाम" (Ek Ped Maa Ke Naam) and the details of the trees planted would be uploaded on the portal https://merilife.nic.in .	Point Noted
9	Permanent labour camp, machinery and material storage shall not be set	Point Noted

	up in the site area.	
10	Any temporary physical infrastructure setup and excavated material during the construction of the project shall not be dumped in water bodies or adjacent areas.	Point Noted
11	Construction material and structures/scaffoldings erected for construction at site shall be cleared immediately after finishing construction and it shall be ensured that no construction waste, garbage and machinery or equipment are left post construction.	Point Noted
12	No groundwater shall be extracted to meet with the water requirements during the construction and/or operation phases.	Point Noted
13	Topsoil excavated during construction activities shall be stored for use in horticulture/landscape development etc. within the project site. The Project Proponent shall comply order / direction, if any, issued by Hon'ble Court/tribunal on the project.	Point Noted
14	All the condition stipulated by Tamil Nadu Coastal Zone Management Authority TNSCZMA has recommended the proposal to MoEF&CC vide letter no.P1/DOECC/1507/2025, dated 06/11/2025 and commitments made by the PP before the TNCZMA and EAC shall be followed in letter and spirit.	Point Noted
15	All necessary clearance from the concerned authority, as may be applicable should be obtained prior to commencement of project or activity.	Point Noted
	General Conditions	
1	Management of solid waste in accordance with the Solid Waste Management Rules, 2016 Shall be strictly implemented.	Point Noted
2.	'Consent to Establish' and /or 'Consent to Operate' shall be obtained from State Pollution Control Board under the provisions of Air (Prevention and Control of Pollution) Act, 1981 and / or the Water (Prevention and Control of Pollution) Act, 1974, as may be applicable.	Point Noted
3.	Disposal of muck during construction phase should not create any adverse effect on the neighbouring communities and be disposed taking the necessary precautions for general safety and health aspects of people, only in approved sites with the approval of Competent Authority.	Point Noted
4.	All liquid waste arising from the proposed development will be disposed of as per the norms prescribed by Central / State Pollution Control Board. There shall not be any disposal of untreated effluent into the sea / coastal water bodies. It shall be ensured that the wastewater generated is treated in the STP as committed by the project proponent. The treated waste water shall be reused for landscaping, flushing and / or HVAC cooling purposes etc. Within the development. The project proponent should also make alternate arrangement for situation arising due to malfunctioning of STP. There shall be regular monitoring of standard Parameters of the effluent discharge from STP under intimation to the SPCB.	Point Noted
5.	Any hazardous waste generated during construction phase, shall be disposed off as per applicable rules and norms with necessary approvals of the State Pollution Control Board.	Point Noted
6.	A copy of the clearance letter shall be uploaded on the website of the	Complied

	concerned State Coastal Zone Management Authority/State Pollution Control Board. The Clearance letter shall also be displayed at the Regional Office, District Industries Centre and Collector's Office / Tehsildar's office for 30 days.	
7.	A six-monthly monitoring report shall need to be submitted by the project proponent to the concerned Regional Office of this Ministry regarding the implementation of the stipulated conditions.	Point Noted
8.	The Ministry of Environment, Forest & Climate Change or any other Competent Authority may stipulate any additional conditions or modify the existing ones, if necessary in the interest of environment and the same shall be complied with.	Point Noted
9.	Full co-operation shall be extended to the officials from the Regional Office of MoEF&CC, during monitoring of implementation of environmental safeguards stipulated. It shall be ensured that documents/data sought pertinent is made available to the monitoring team. A complete set of all the documents submitted to MoEF&CC shall be forwarded to the concerned Regional Office of MoEF&CC.	Point Noted
10.	In the case of any change(s) in the scope of the project, the project would require a fresh appraisal by this Ministry.	Point Noted
11.	The Ministry reserves the right to add additional safeguard measures subsequently, if considered necessary, and to take action to ensure effective implementation of the suggested safeguard measures in a time bound and satisfactory manner, including revoking of the environment clearance under the provisions of the Environmental (Protection) Act, 1986, for Non-compliance.	Point Noted
12.	All other statutory clearances such as the approvals for storage of diesel from Chief Controller of Explosives, Fire Department, Civil Aviation Department, Forest Conservation Act, 1980 and Wildlife (Protection) Act, 1972 etc. shall be obtained, as applicable by project proponent from the respective Competent Authorities.	Point Noted
13.	The project proponent should advertise in at least two local Newspapers widely circulated in the region, one of which shall be in the vernacular language informing that the project has been accorded CRZ Clearance and copies of clearance letters are available with the State Pollution Control Board (SPCB) and may also be seen on the website of the Ministry of Environment, Forest and Climate Change at https://parivesh.nic.in/ . The advertisement should be made within Seven days from the date of receipt of the Clearance letter and a copy of the same should be forwarded to the concerned Regional Office of this Ministry.	Complied, New paper attached for your reference.
14.	A copy of the clearance letter shall be sent by the proponent to concerned Panchayat, Zilla Parishad/Municipal Corporation, Urban Local Body and the Local NGO, if any, from whom Suggestions/representations, if any, were received while processing the proposal.	Complied
15.	The proponent shall upload the status of compliance of the stipulated conditions, including results of monitored data on their website and shall update the same periodically. It shall simultaneously be sent to the Regional Office of MoEF&CC, the respective Zonal Office of CPCB and the SPCB.	Complied
16.	The environmental statement for each financial year ending 31st March	Point Noted

	in Form-V as is mandated to be submitted by the project proponent to the concerned State Pollution Control Board as prescribed under the Environment (Protection) Rules, 1986, as amended subsequently, shall also be put on the website of the project proponent along with the status Of compliance of clearance conditions and shall also be sent to the respective Regional Office of the Ministry by e-mail.	
7.	This Clearance is subject to final order of the Hon'ble Supreme Court of India in the matter of Goa Foundation Vs Union of India in Writ Petition (Civil) No.460 of 2004 as may be applicable to this project.	Point Noted
8.	The Ministry reserves the right to stipulate additional conditions, if found necessary at subsequent stages and the project proponent shall implement all the said conditions in a time bound manner. The Ministry May revoke or suspend the CRZ clearance, if implementation of any of the above conditions is not found satisfactory.	Point Noted
9.	Concealing factual data or submission of false/fabricated data and failure to comply with any of the conditions mentioned above may result in withdrawal of this clearance and attract action under the provisions of the Environment (Protection) Act, 1986.	Point Noted
10.	Any appeal against this CRZ clearance shall lie with the National Green Tribunal, if preferred, within a period of 30 days as prescribed under Section 16 of the National Green Tribunal Act, 2010.	Point Noted
11.	The above conditions shall be enforced, <i>inter-alia</i> under the provisions of the Water (Prevention & Control of Pollution) Act, 1974, the Air (Prevention & Control of Pollution) Act, 1981, the Environment (Protection) Act, 1986, Hazardous and Other Wastes (Management and Transboundary Movement) Rules, 2016 and the Public Liability Insurance Act, 1991 along with their amendments and Rules and any other orders passed by the Hon'ble Supreme Court of India/High Courts and any other Court of Law relating to the subject matter.	Point Noted
12.	This issues with approval of the Competent Authority	---
